

Rising Artists Press Placements

Each article is original, crafted either by the publication's team of writers or our own. They are written as music reviews, unless otherwise specified.

Pricing is subject to change due to collaborations with multiple third-party partners.

Specifications are given to indicate if a publication allows you to submit your own article (press release, interview, or professional review), 600 word minimum.

We have direct scheduling access to certain publications noted below (for premieres & time-sensitive articles). These ones have 300 word minimum.
